

EXPEDIA'S INSIDERS' SELECT LIST AGAIN FEATURES THE GRAND CASE BEACH CLUB

The Grand Case Beach Club has been chosen for the third consecutive year by Expedia's Insiders' Select List for its excellent services, over-all experience and notable value.

The Insiders' Select List represents only about one per cent of the hundreds of hotels in Expedia's Global Marketplace. The List is compiled after reviewing comments by approximately one million Expedia clients.

"This is a real honor and one which we are confident will bring us to the attention of even more travelers," said General Manager Steve Wright.

The Grand Case Beach Club is located on the ocean adjacent to the picturesque village of Grand Case. It is about a ten minute drive from Marigot, the capital.

The resort offers a wide variety of activities and amenities for its guests. These include the Sunset Cafe, open for breakfast, lunch, dinner and Happy Hour seven days a week; tennis court; swimming pool; island boutique; water sports center, and in each room (larger than a standard hotel room) is a fully equipped kitchen and flat screen satellite TV. Rental cars are available on site.

Room rates include continental breakfast daily and use of all non-motorized water sports equipment.
